NORTHERN BOOKS is a mail order book service dealing in used, rare, and select new books on Northern, Arctica, Canadiana, Wilderness, and Canoeing topics. No catalogue has been issued for several years for lack of time. We expect this may change once GL "retires". We do have extensive stock of out-of-print items of northern and canoeing interest and specific requests are invited. To receive a quote on a special want, please list title and author on the back of the order form.

The following prices are quoted in Canadian funds. U.S. funds are accepted at \$1.00US = \$1.20CA or multiply the Canadian price by 0.83 to get US dollar equivalent. Cash or cheques are accepted, we regret that credit cards are not. (Please note. For U.S. cheques, to help us cash any US cheque from a US bank, please make it payable to Linda Luste, not to Northern Books.)

To purchase books, please fill out the "Symposium Book Order Form", available at the book table in the auditorium.
